

QnA Page Answering

- Notes:
- Logged-in users may enter an answer to a given question at the bottom of the QnA Page (A).
  - The answer text is entered in the text field (B).
  - Answer text should support Markdown syntax.
  - Markdown formatting may be applied using the toolbar (C).
  - Toolbar visual design is **TBD**.
  - Users can switch between editing the answer and viewing the formatted version of the answer (D).
  - Click "Post Your Answer" (E) to submit the answer.
  - For Guests, replace the answer entry section with a message explaining that only logged-in users can submit an answer, e.g.:
 

You must log in to submit an answer to this question.
